

Information for Coaches

Dear Coaches,

Yorkshire Netball has been invited to work with the West Yorkshire County Sports Partnership (CSP) to pilot a Sports Coach UK programme, designed to develop and support coaches interested in working with Talent and Performance athletes.

The CSP will offer 'free' access to the four key SCUk workshops:

What is Talent; A Head for Talent; Getting Better, Better; Talent Across the Ages.

These will form the foundation of the programme; as well as further support and help to access other courses identified or requested by individual coaches.

Each Coach on the Programme (limited to three coaches in Year 1) will be asked to complete a Training Needs Analysis with me, in my role as Coach Developer, which will allow them to identify areas of strength and expertise as well as areas for further development. The Regional Coaching Group will then work to provide a variety of opportunities, observations, coaching, discussions..., etc, some collective, some individualised for each coach on the programme.

It is anticipated that the commitment to the programme will be spread over a 12 month period to allow for practice and reflection as well as other netball commitments (to say nothing of work and family!)

If you are interested in becoming involved in this exciting new 'pilot' initiative and would like to attend a meeting on Thursday 7th May 2015 to get more details about the programme please complete the attached form and return to me at: joancoachyoung@hotmail.co.uk by Thursday 30th April 2015

I look forward to hearing from you.

Kind regards

Joan

Joan Young
